It's great to be here! Thank you for having me.
I have a serious question for you. If you could be a new character in your favorite show, what would that look like?
Hmm... If I could be a new character in my favorite show, I would be...
I wanted to be an actor in a saga well known as marvel
who or what made you want to be an actor in that saga of super heroes?
The one who made me want to be an actor was a friend, because when we were little we both liked superheroes, but now we want to be one of them. That's why my friend insisted on representing actor roles.
Thank you for inviting me, I had a lot of pleasure in coming.
And here ends the interview, thanks for coming.
bye!
